**The Dancing Andalusian Stallion fundraiser was a great success.**

One of the first fundraisers for the Summerland Rodeo Grounds was held on July 21<sup>st</sup> which showcased the Dancing Andalusian Stallions of Susana Rodriguez. The profit raised from this event totaled over \$9,000.

The evening began with a Spanish dinner catered by Chef Andre Fagant. Over 230 people attended the dinner. Following the dinner the crowds were entertained by the Dancing Andalusian Stallions, as well as demonstrations by Marion Weiskopff, and Paul Duffrense of Kelowna. The audience was very pleased with the performances.

We ended the evening with a wine and cheese while listening to the musical stylings of Holly Silzer and her band.

This money will be held in trust by the Corporation of Summerland to build an indoor arena at the existing Rodeo Grounds.

The Corporation of Summerland has designated money from the 2007 budget for a consultant to work with community groups on the development of the Rodeo Grounds.

A HUGE thanks go out to the many, many volunteers, and sponsors. The outpouring of support has been phenomenal and surely indicates the vision and faith people have for this development.
